2.0 FEES

2.1 Fee Payment – International Students

- International students must pay course fees and charges, an enrolment fee and have a valid Overseas Student Health Cover (OSHC) in order to secure their enrolment with ACE; as The Department of Immigration and Border Protection requires overseas students to maintain an OSHC for the duration of time they are in Australia. If a student cannot provide a valid OSHC at the time of enrolling the student may request ACE to organize one for the student (and the cost will be included in the charges) or they can select an approved provider and pay the insurance themselves.

  - Exceptions: the following students do not need an OSHC if they are:
    - a Norwegian student covered by the Norwegian National Insurance Scheme
    - a Swedish student covered by the National Board of Student Aid or by Kammarkollegiet
    - a Belgian student covered under the Reciprocal Health Care Agreement with Australia.

- Students will pay the fees and charges agreed to at the time of enrolment, as outlined in the PAYMENT PLAN, until the completion of their course (however re-scheduling of any course or unit of competency may incur fee increases)

- Enrolment in a new course will incur new fees

- Tuition fees will not be transferred to another educational institution

- Enrolment fee, accommodation placement and airport pickup fees are nonrefundable

- An initial deposit of one semester’s fees is payable upon enrolment as specified in the PAYMENT PLAN

- Balance of fees is to be paid on an installment program outlined in the PAYMENT PLAN that is scheduled at the time of enrolment

- Late payment of fees will incur a penalty ($75 per week up until the date the payment is made) on the fee installment owed to ACE as stated in the PAYMENT PLAN

- Any fees (including late fees) paid by credit card will incur a surcharge of 2% of the amount that is paid via this means.

- ACE may restrict or withhold services or materials from the student if fees are overdue

- Discount of fees will only be at the discretion of ACE’s CEO

2.2 Student Fee Protection

ACE assures the security of student fees through its compliance with the requirements of the Education Services for Overseas Students Act 2000 (ESOS).
ACE’s Students Fees are protected by the Tuition Protection Scheme (TPS) which has been designed to protect student funds paid by international students held by ACE, on behalf of the students, until the Visa is granted. It also covers all fees paid by the student covering tuition, materials, and Enrolment costs.
