Australian Careers Education
ACE’s Commitment to Students (ESOS Framework)
ACE is highly committed to provide students with the fundamental rights protected by the ESOS framework. The Australian Government wants overseas students in Australia to have a safe, enjoyable and rewarding place to study. Australia’s laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas (ESOS) Act 2000 and the National Code 2017.

Protection for overseas students
Overseas students on a student visa must study with an education provider and in a course that can be found on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) at http://cricos.deewr.gov.au. CRICOS registration guarantees that the course and the education provider at which study is undertaken meets the high standards necessary for overseas students.

Student Rights:
The ESOS standards covers a range of information students have a right to know about and the services that must be offered to them by ACE. These include:

- receive current and accurate information about the courses, entry requirements, all fees and modes of study from your institution and your institution’s agent before you enrol
- sign a written agreement with your institution before or at the time you pay fees. You do not have to pay the institution any money or fees until you accept the agreement
- seek a refund in certain situations for course money you have paid. Information about refund arrangements must be included in your written agreement
- get the education you paid for. The law includes tuition protections that will allow you to be placed in another course or receive a refund if your institution is unable to teach your course (known as a provider default), visit https://tps.gov.au/ for more information
- access complaints and appeals processes
- request to transfer to another institution and have that request assessed by your institution.

Information about visa conditions for student visa holders is available on the Department of Immigration and Border Protection’s website at http://www.immi.gov.au/students/visa-conditions.htm.

ACE’s Expectation from Students
We hold our students in high regard. Likewise, we have certain expectations of you, the student, to ensure we maintain the Essential Standards for Overseas Students (ESOS).

Your responsibilities include to:
As an international student on a student visa, you are responsible for:
- comply with your student visa conditions
- ensure you have and continue to maintain your Overseas Student Health Cover (OSHC) for as long as you stay in Australia on a student visa
- tell your institution if you change your address or other contact details
- meet the terms of your written agreement with your education institution
- maintain satisfactory course progress and attendance.
• Information about visa conditions for student visa holders is available on the Department of Immigration and Border Protection’s website at www.border.gov.au/Trav/Stud/More/Visa-conditions/visa-conditions-students, or call 131 881 on Monday – Friday from 8.30am to 4pm inside Australia (except public holidays).

Information about visa conditions for student visa holders is available on the Department of Immigration and Border Protection’s website at http://www.immi.gov.au/students/visa-conditions.htm.

Accommodation and living costs

ACE does not offer any accommodation services and students are required to organize their own accommodation for their stay in Australia. Where a relative or friend is able to provide accommodation that is close to transport and within proximity to ACE’s campus, students are being encouraged to take up this option. It is recommended that a student’s accommodation is organized prior to the student’s arrival in Australia.

The Student Support Services Officer (SSSO) can provide information, advice, and guidance on the types of accommodation services available to students prior to arrival to Australia. The SSSO can offer advice if a change in accommodation is required.

The types of accommodation available in Australia are many and varied. They include the following:
Private Rentals
The rental market offers a wide range of housing options. Signing a lease on your own for an apartment, flat or house can offer you an independent lifestyle and privacy. You may also plan to stay in this property for the duration of your course.
It can be however, quite an expensive proposition if you choose to live by yourself. You would be solely responsible for the rental payments plus the connection fees for utilities and then the ongoing bills. Generally tenants are responsible for connection and usage of water, electricity and gas. Tenants are also responsible for connection and payment of the telephone service.

Rental prices vary according to the location and condition of the property. It can be useful to familiarise yourself with the average price of properties in the various suburbs around ACE. Rental costs usually increase the closer the property is to the city centre.

You can choose to reduce the cost by renting a property with housemates. This is a great way to not only reduce your expenses (given expenses are shared), but it is also a great opportunity to meet new people!

Student Apartment
Student apartments are large centres containing rooms of various sizes (1 to 5 bedrooms). They usually come fully furnished with internet, 24 hour support and often in great locations.

Residential College
Residential colleges are typically located within a short distance from major universities. What you generally get is a fully furnished bedroom which is cleaned weekly, meals, internet and shared kitchen and bathroom facilities. This is a great way to meet people!

Homestay
This is a common form of accommodation where students live with a local family in their own home. Homestay is where a student lives with a family, couple or single person/s in their own home. There are many ‘Homestay Providers’ operating in Australia and arrangements will vary from full board, part board to board in exchange. The most common arrangement for homestay usually consists of a furnished room, two or three meals per day and bills (except telephone and internet). The family is generally chosen by the Homestay Provider and allows students an excellent way of settling into the country.

Transport
Melbourne has an extensive public transport system of buses, trains and trams. As Melbourne is a well-planned city it is easy to travel in by car. Cars travel on the left side of the road. Drivers can use their home country licenses for three months from the date of entry to Australia. An international license can be used providing the license from the country of origin is also valid.

The following links will help you to get around in Melbourne Street directories:
http://www.whereis.com.au
http://www.street-directory.com.au
The Vic trip website provides information on the public transport system in Melbourne, including costs and timetables:
Campus Locations and Facilities
ACE’s Head Office and Campuses are located in Brunswick and Brunswick East. Brunswick is a suburb in Melbourne, Victoria, Australia, 5 km north from Melbourne’s Central Business District.

The area is among the best-served by public transport in Melbourne, with the Jewell, Brunswick and Anstey stations on the Upfield suburban train line. In addition, there is the number 19 tram service to Melbourne University and the city on Sydney Road, and the number 1 and 8 (formerly 22) trams along Lygon Street, and the number 55 tram also heads through Royal Park and to the city from nearby West Brunswick.

Third Party Arrangements
As part of the training package requirements for the Certificate III and IV in Commercial Cookery and Diploma of Hospitality; students are required to undertake work-based training. ACE has a formal arrangement with Aurora Receptions, a privately owned reception and catering facility, for its students to undertake work-based training. For further information, please refer to the individual courses in this brochure.
Modes of transportation to travel to ACE

By TRAM

By Train

Carpooling

Also known as “car-sharing”, “ride-sharing” and “lift-sharing”

It is the sharing of a car journey so that more than one person travels in a car.

Speak to one of our friendly Student Support Services officers to register your interest.
**By BICYCLE**

**Information on Bikes - Where to ride**
Major on-road bicycle network routes within the City of Melbourne include St Kilda Road, Royal Parade, Flemington Road, Swanston Street and Canning Street.

Major off-road routes include Yarra River Trail, Moonee Ponds Creek Trail, Maribyrnong River Trail, Flemington Road, Dynon Road, Footscray Road and St Kilda Road.

**The Melbourne Travel Smart Map** provides a convenient and comprehensive guide to walking, cycling and public transport routes and facilities in the City of Melbourne. You can also download a copy of the map from the following URL:

**Accommodation**

Deciding where to live is one of the most important decisions you will make. A number of options can be considered including:

**Share and rental accommodation**

In share houses, each person usually has their own bedroom and shares the kitchen, bathroom and living areas. Rental costs range from AU$140–AU$220 per person per week, depending on location and facilities.

Real estate agents offer a variety of rental accommodation, including houses and apartments. The average weekly rent ranges from AU$200–AU$300 for a one bedroom flat, and AU$250–AU$400 for a two bedroom flat. Additional expenses for both share and rental accommodation include: food, gas, electricity, transport and telephone calls.

**Private student hostel accommodation**

There are many private hostels, offering a furnished bedroom, shared bathroom, living and leisure areas. Some hostels provide meals, while others provide kitchen facilities. Computer facilities may also be available. Weekly prices range from AU$220–AU$350. Extra costs may include payment of a bond. A bond is a security deposit that is held until your tenancy has finished. It will usually be refunded fully if you have no rental arrears or you have not caused any damage to the premises.
Home stay / full board

Home stay is an excellent choice for students wanting to experience living in an Australian home, while at the same time improving their English. Students generally have their own furnished bedroom and share living spaces with their home stay family. Weekly rates are approximately AU$230. Meals are included; however telephone calls and travel expenses are not.

Student apartment complexes

Student apartment complexes are fully furnished and allow students to live independently in a secure and supportive residential environment. As these complexes are very popular there is a high demand when vacancies are advertised. Utility costs are not usually included in the rental price. Rental can vary from AU$150–AU$350 per week.

School Aged Dependants

There are requirements for compulsory school attendance for children or dependents of international students. In Victoria it is compulsory for children to attend school until the age of 16. The choice of schools includes public schools, private schools and religious schools. People over the age of 16 can continue to attend school until they have completed Year 12. Dependents of persons holding a student visa may be required to pay full fees in any school, college or university that they enrol in whilst in Australia.

For information related to schools in your suburb, contact your local council, or refer to the Yellow Pages telephone directory under ‘Schools’.

Legal Assistance

At Australian Careers Educations Pty Ltd we provide referral service to students of the college. Students requiring Legal assistance can contact our Student Support Officer who can refer them to qualified Law practitioners. All information provided by the student to Australian Careers Education will be kept confidential. All legal costs will be paid by student. Please note that referral service is free of charge for the students of Australian Careers Educations Pty Ltd.

Where there is an unsatisfactory record of attendance ACE is obliged to notify the Secretary of the Department of Education (DE) via PRISMS. This may affect a student’s visa status.

Deferring, Suspending and Cancelling an Enrolment

Standard 13 of the National Code allows students to defer commencement of studies, take a leave of absence or temporarily suspend their studies. This must be completed through a formal agreement with ACE. As these absences may affect the student’s visa the student must be accordingly advised. Similarly, ACE can seek to cancel or suspend a student’s enrolment in limited circumstances.

For more information, please see ACE’s website for Deferment, Suspension and Cancelation of Enrolment Policy and Procedure, via www.ace.vic.edu.au.
Transfer between Registered Providers

Under the ESOS National Code Standard 7, students must meet certain conditions before they can enrol with another education provider if they are unhappy with the course they are doing.

The National Code indicates that a student must have a letter of release from their education provider before they can enrol with a new provider if they have not completed 6 months of their principal course (the main course of study they are undertaking). If a student wishes to transfer before they have completed six months of their principal course, they need their provider’s permission.

ACE has a documented policy and procedure about transferring between registered providers. Students are encouraged to read and ensure they understand this policy, and what their written agreement says is required of a student, before making a decision to enrol with ACE.

For more information, please see ACE’s website for Transfer between Registered Providers Policy and Procedure, via www.ace.vic.edu.au.

Completion within the Expected Duration

ACE monitors the workload of students to ensure they complete the course within the duration specified in their CoE and do not exceed the allowable portion of online or distance learning. ACE only enables students to extend the expected duration of study for the course through the issuing of a new CoE in limited circumstances.

For more information, please see ACE’s website for Completion within the Expected Duration Policy and Procedure, via www.ace.vic.edu.au.

- Racial Discrimination Act 1975
- Sex Discrimination Act 1984

States and Territories also have equal opportunity legislation.

ACE will not tolerate conduct that compromises its high standards of ethics, or honesty, lack of consideration for fellow students, trainers or other Staff, unruly behaviour, bullying or any form of abuse (physical or verbal) of others, lack of respect for the property of others or any other unsavoury conduct. Where this is found to have taken place by a student, the management of ACE will invoke disciplinary procedures.

In the case of students, depending on the severity of the event this action may include:

- One or more written warnings regarding the transgression.
- Dismissal from the course without refund of fees paid, or credit for learning granted.
- Dismissal from the course and reporting the student to the Police if the situation warrants.

Occupational Health and Safety

Occupational health and safety is a broad area of the law that can be divided into three areas:

- **Common law rules** - these laws made by the courts, such as negligence, trespass and defamation are applicable throughout Australia and detailed in the National Occupational Health and Safety Commission Act 1985.
- **State and Territory laws** that deal with general occupational health and safety issues and with particular industries, work processes and equipment. These laws generally take the form of a series of rules and penalties.
- **State and Territory worker's compensation legislation** that protects employees in the case of on-the-job injuries.

You may view and download these Acts at the Australasian Legal Information Institute (ALII) which provides free online access to Commonwealth, State and Territory case law and legislation.

Your state or territory training authority, registered training organisation or New Apprenticeships Centre will also be able to advise what legislation applies to your situation.
Occupational Health and Safety at ACE

Australian Careers Education Pty Ltd has an Occupational Health and Safety Policy designed to protect students whilst on any Institute site or engaged in Institute activities.

Sexual Harassment is UNWANTED and UNWELCOME sexual attention. It may be sexual harassment when someone:

- Leers at you
- Touches or brushes against your body
- Persists in asking you out after you have said 'NO'
- Tells dirty jokes in your presence
- Displays offensive printed material
- Emailing and SSM offensive material
- Makes unwelcome comments or asks questions about your personal life or sexual habits
- Tries to force you to have sex.

What if you're not sure you're being sexually harassed?

If the behaviours made you feel:

- Offended
- Intimidated
- Upset
- Frightened
- Humiliated
- Angry
• Or that someone went too far... then it is sexual harassment.

You don't have to put up with sexual harassment. You may feel you have to keep quiet about sexual harassment or even play along with it. You may feel that if you do object to sexual harassment you will be seen as over-reacting or unable to take a joke.

But remember:

- Sexual harassment is not flattering or harmless fun
- It is not friendship, or part of normal social relationships
- It is unwanted and unwelcome sexual attention which denies you respect and fair treatment
- You have every right to object and do something about it.

Is sexual harassment against the law?

State and Commonwealth legislation outlaws sexual harassment as a form of sex discrimination. ACE takes its obligations under this legislation very seriously and will not tolerate sexual harassment.

If you are sexually harassed:

- Tell the person you find their behaviour offensive. Keep a record of the incident
- Talk to your Student Support Officer for personal advice and support in dealing with the feelings caused by the harassment
- Report the complaint to the CEO or any Staff member at ACE. Everyone can support you in this process - all complaints will be treated confidentially

Other Harassment

Bullying, intimidation, abuse of power are other examples of harassment or workplace violence. Students who have such concerns should discuss them with PEO or any Staff member so that appropriate action can be taken.

Disciplinary Procedures

ACE will not tolerate conduct that compromises its high standards of ethics, or honesty, lack of consideration for fellow students, trainers or other staff, unruly behavior, bullying or any form of abuse (physical or verbal) of others, lack of respect for the property of others or any other unsavory conduct.

Where this is found to have taken place by a student, the management of ACE will invoke disciplinary procedures.

In the case of students, depending on the severity of the event this action may include:

- One or more written warnings regarding the transgression.
- Dismissal from the course without refund of fees paid, or credit for learning granted.
- Dismissal from the course and reporting the student to the Police if the situation warrants.

### Policy

1. Refunds of course money applies when the following circumstances occur:

#### A. Provider Default

The ESOS Legislation Amendment (TPS) Act (2012) – Division 2, Subsection A, 46A – defines **provider default** as follows:

1. A registered provider defaults, in relation to an overseas student or intending overseas student and a course at a location, if:
   1. Either of the following occurs:
      1. The provider fails to start to provide the course to the student at the location on the agreed starting day;
      2. The course ceases to be provided to the student at the location at any time after it starts but before it is completed; and
   2. The student has not withdrawn before the default day
   3. The course is not provided in full to the student because a sanction has been imposed on ACE or any other reason.

   **Note**: An exception to this rule applies if ACE fails to start to provide the course, or the course ceases to be provided to the student because the student
   1. Failed to pay an amount he/she was liable to pay to ACE;
   2. Breached a condition of his or her student visa:
   3. Misbehaviour by the student

#### B. Student Default

The ESOS Legislation Amendment (TPS) Act (2012) – Division 2, Subsection B, 47A – defines student default as follows:

1. An overseas student or intending overseas student defaults, in relation to a course at a location, if:
   1. The course starts at the location on the agreed starting day, but the student does not start the course on that day (and has not previously withdrawn); or
   2. The student withdraws from the course at the location (either before or after the agreed starting day); or
(c) The registered provider of the course refuses to provide, or continue providing, the course to the student at the location because of one or more of the following events:
   (i) the student failed to pay an amount he or she was liable to pay the provider, directly or indirectly, in order to undertake the course;
   (ii) the student breached a condition of his or her student visa;
   (iii) misbehaviour by the student.
   Note 1: For an exception to subsection (1)(a), see section 2 below.
   Note 2: For an exception to subsection (1)(c)(iii), see section 3 below.
(2) An overseas student or intending overseas student does not default under paragraph (1B)(a) in relation to a course at a location if the student does not start that course because the registered provider defaults in relation to the course at the location under subsection (1)(a)(i) above.
(3) An overseas student or intending overseas student does not default under subsection (1)(c)(iii) unless the registered provider accords the student natural justice before refusing to provide, or continue providing, the course to the student at the location.

In all of the aforementioned instances of student default, ACE will notify the TPS Director and DIBP via PRISMS within 5 business days of the default occurring.

Note: a student default may occur only after all internal and external appeals processes have been exhausted.

1.2 If a refund is provided to a student, ACE shall provide a statement explaining how the amount has been calculated.
1.3 The enrolment fee charged to the student covers the administrative costs of processing a student’s enrolment application and is non-refundable.
1.4 ACE holds membership with the Tuition Assurance Scheme (TAS) approved by the VET Regulator, ASQA. If ACE is unable to provide services for which the learner has prepaid, ACE must ensure:
   a) the learner will be placed into an equivalent course such that:
      • the new course is geographically close to where the learner had been enrolled; and
      • the learner receives the full services for which they have prepaid at no additional cost to the learner; or
   b) If an equivalent course cannot be found, the learner is paid a refund of any prepaid fees for services yet to be delivered above the threshold prepaid fee amount.
1.5 This policy and procedures must be read in conjunction with the Formalisation of Enrolment Policy and Procedures and the Complaints and Appeals Policy and Procedures.

2. Procedures
2.1 Actions required to meet this procedure are outlined in the following sections:
   a. Total Refunds
   b. Partial Refunds
   c. No Refunds
   d. Process for Claiming Refunds
   e. Payment of Refunds

ACE DEFAULTS:
Total Refunds
1. Tuition fees and any Application fees will be refunded in full where:
   i. The Course does not start on the agreed starting date which is notified in the Letter of Offer;
   ii. The Course stops being provided after it starts and before it is completed;
   iii. The Course is not provided fully to the Student because ACE has a sanction imposed by a government regulator; or
   iv. An offer of a place is withdrawn by ACE and no incorrect or incomplete information has been provided by the Student.

2. In the event that ACE is unable to deliver the Course in full; the Student will be offered a refund of all the Course Money paid by the Student to date for that Course. The refund will be paid within 14 days of the day on which the Course ceased to be offered. Alternatively, the Student may be offered enrolment in an alternative course by the ACE at no extra cost. The Student has the right to choose whether to seek a full refund of Course Money, or to accept a place in another course. If the Student chooses placement in another course, ACE will ask the Student to sign a document to indicate acceptance of the placement.

3. A full refund, less any Enrolment fee will be provided to the Student where:
   i. Illness or disability prevents a Student from taking up the course;
   ii. Prior to the commencement of a term, the Student has been excluded from ACE for failure to meet progression rules and where fees were paid in advance of notification of the exclusion;
   iii. There is death of a close family member of the Student (parent, sibling, spouse or child); or
   iv. Other special or extenuating circumstances, including political, civil or natural events, are accepted at the discretion of the CEO of the ACE, or his or her nominee, as preventing a Student from taking up the course.

Partial Refunds
4. If ACE defaults, a refund of tuition fees received by ACE will be issued to the student based on the following calculations under section 7 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014:
Weekly tuition fee = (total tuition fee for the course / number of calendar days in the course) \times 7, rounded up to the nearest whole dollar.

Weeks in default period = number of calendar days from the default day to the end of the period to which the payment relates / 7

Refund amount = weekly tuition fee \times weeks in default period

5. If ACE is unable to deliver the course in full, the student will be offered a refund of any Tuition Fees paid in advance which corresponds to the portion of tuition for which the student has paid, but has not yet been delivered by ACE.

6. Where an Application for Refund is made under Total Refunds Item 3, the Student must provide at the time of making the application documentary evidence to the satisfaction of the ACE in support of one or more of the grounds listed in Total Refunds Items 3 (i-vi).

(Notification of Withdrawal from Studies must be received 2 weeks prior to term commencement by Student Administration*)

Partial Refunds

1. Partial refunds of the amounts specified below will be provided in the following circumstances:

   i. Withdrawals at least 4 weeks prior to agreed start date a 70 % of the fees. Note: Enrolment fees are non refundable.

   ii. Withdrawal less than 4 weeks prior to agree start dates no refund of the fees. Note: Enrolment fees are non refundable.

No Refunds

1. A Student who withdraws or defers from a Course more than 20 working days after the commencement of a term shall not be eligible for a refund for that term except for the reasons outlined in Total Refunds Items 3 (i-vi).

2. A Student whose enrolment is either suspended or cancelled by ACE for whatsoever reason during a term, including but not limited to misbehavior or non-payment of fees to the ACE, shall not be eligible for a refund for that term.

3. Withdrawal from the course after the agreed start date.

Refund of student pre-paid fees if ACE closes

A student will be eligible to receive a refund of the unexpended pre-paid tuition fees which the student has paid to ACE and will cover only that portion of tuition for which the student has paid but for which tuition has not yet been received.

Following default, ACE will fulfil its obligations to all affected students within 14 days. During this time ACE will either offer the student an alternative place which is acceptable to the student, or the appropriate refund amount.

In the event ACE does not satisfy this obligation to all affected students, the TPS Director will facilitate access for the student to course placement.

The proportion of pre-paid course fees which ACE has to refund to students when required

The ESOS Act limits refunds paid to students to the portion of the course for which the student has paid but which has not been delivered or assessed in the event of ACE closing.

If ACE fails to meet its refund obligation, the partial refund amount will be calculated in accordance with the TPS model and will be used by TPS to place the student in an alternative course in the first instance, and failing that, to provide a refund.

List of documents that assist the TPS in determining a refund of pre-paid tuition fees

To assist TPS in calculating the refund of tuition fees for the part of the course for which the student has paid but which has not been delivered or assessed in the event of ACE closing, ACE will advise students that they should keep the following documents and make them available when required:

- The student agreement with ACE;
- Original receipts for tuition fees pre-paid to ACE;
- Bank statements; and
- Other relevant correspondence which identifies the amount of prepaid fees paid (e.g. an email or SMS between ACE and the student).

Recommended action for a student if ACE has not refunded the unused portion of their prepaid fees where the student has withdrawn from their course

In the first instance the student will be required to check their written agreement to ensure that they are eligible for a refund. If they do not have a copy they will be required to contact ACE or their agent and ask for a copy.

After reading their agreement, if they still believe that they are entitled to a refund, they should contact ACE in writing seeking a refund. If a student is not satisfied with the outcome of the ACE’s refund decision they can contact TPS. In this case they will be required to provide the TPS with documents (such as the outcome letter of ACE’s refund decision) to support their claim for a refund.

STUDENT DEFAULTS:

1. When a student fails to start a course due to visa refusal and the student notifies ACE that their visa application has been refused.

A refund of tuition fees received by ACE will be issued to the student based on the following calculations as per Section 9 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014:

- Total course fee* minus the lesser of:
  - (i) 5% of the amount of course fees received by ACE before the default day, or
  - (ii) $500

(*Course fees = tuition fees + non-tuition fees received by ACE in respect of the student)
2. Where a student commences a course and subsequently has a visa refused and student notifies ACE that their visa application has been refused.

A refund of tuition fees received by ACE will be issued to the student based on the following calculations as per Section 10 of the Education Services for Overseas Students (Calculation of Refund) Specification 2014:

- **Weekly tuition fee** = \( \frac{\text{total tuition fee for the course}}{\text{number of calendar days in the course}} \times 7 \), rounded up to the nearest whole dollar.
- **Weeks in default period** = number of calendar days from the default day to the end of the period to which the payment relates / 7
- **Refund amount** = weekly tuition fee \( \times \) weeks in default period

3. Where a student withdraws prior to commencement of their course and student notifies ACE.

Refund applications shall be assessed and granted in accordance with the schedule below:

<table>

2.2 Process for Claiming Refunds

1. Refund applications for full or partial refunds must:
   i. Be made in writing via the Refund Request Form; and
   ii. Set out the reasons for the application; and
   iii. Be accompanied by supporting documents as may be appropriate; and
   iv. Be forwarded to:
       Chief Executive Officer
       Australian Careers Education Pty Ltd
       347-351 Victoria Street,
       Brunswick, Victoria, Australia 3056

2. The information provided by the Student on the Refund Request Form must include:
   i. The date of the claim;
   ii. The Student’s full name;
   iii. The course in which the Student was enrolled;
   iv. The basis for making the claim;
   v. The amount claimed;
   vi. The address to which the refund is to be forwarded;
   vii. The Student’s payment details;
   viii. The Student’s signature, and
   ix. All documents relevant to the consideration of the claim.

3. Refund applications will not be processed where the signature on the Refund Request Form does not match the Student’s signature as shown on other documents provided by the Student for admission to ACE.

4. A Refund Calculation Statement will be prepared and forwarded to the Student and any refund will normally be made in the currency of the student’s country of permanent residence and payable in that country. Exceptions include non-tradable currencies (where the refund would normally then be paid in AUD) or payment to another Australian educational institution. ACE accepts no responsibility in respect of any foreign exchange rate fluctuations.

5. The funds covering the tuition fees must be cleared (i.e. cheques cleared, telegraphic transfers received etc).

6. All debts owing to ACE are to be deducted from any refund.

7. Where a Student is dissatisfied with a decision to provide or not to provide a refund he or she may appeal that decision in accordance with the ACE’s Complaints and Appeals Policy and Procedure.

8. This policy and the availability of complaints and appeals processes, does not remove the student’s right to take action under Australian consumer protection laws.

2.3 Payment of Refunds for Provider’s Default

1. Applications for refunds for Students must be authorised by the CEO / Compliance Officer or his/her nominee.

2. Where:
   i. the Course does not start on the agreed starting date; or
   ii. the ACE stops the Course after it starts and before it is completed; or
iii. the Course is not provided fully to the Student because ACE has a sanction imposed by a government regulator, and the Student has requested a full refund of fees rather than placement in an alternate course, the refund of fees will be paid in full to the Student within 2 weeks.

2.4 In any other circumstance, ACE will refund the amount within 4 weeks after receipt of the completed and signed Refund Request Form together with appropriate supporting documents.

2.5 The Enrolment fee is not subject to a refund.

2.6 Overseas Student Health Cover Fees: If ACE has arranged the application and issuance of the OSHC of the student with an OSHC provider, ACE will assist the student to request for a refund with the OSHC provider, as per student’s request.

**Tuition Protection Services**

The TPS will help you quickly find another course. If your provider can't deliver the course you have paid for. The TPS will use online placement service to give you all the information you need so you understand your options and can choose an alternative course that best suits you. Additional assistance will be available if you need it. You will still have to meet all the course entry requirements of another provider and any extra costs if the provider is more expensive than the one you originally enrolled with.

- The Tuition Protection Service or TPS is a placement and refund service for international students
- From 1st July 2012, the TPS has replaced the Tuition Assurance Scheme (TAS) arrangements and the ESOS Assurance Fund
- The TPS is like insurance cover with premiums based on risk. It will aim to place students in an alternative course first and pay refunds only as last resort.
- The TPS includes strengthened governance arrangements for greater accountability to government.
- A limit of up to 50 percent of total tuition fees may be collected prior to student commencement (unless the course is 24 weeks or less)
- Student refunds will be based on unexpected tuition fees (rather than on total course cost as previously)

Note: The above flow diagram is for guidance purposes only. To the extent that the diagram is inconsistent with the Education Services for Overseas Students Act (the ESOS Act) 2000 the ESOS Act prevails. Providers should not rely on this diagram alone and must read the requirements in the ESOS Act.
Work Based Training Policy

Work Based Training (WBT) is required to achieve the Certificate III and IV in Commercial Cookery and Diploma of Hospitality. For further information regarding WBT, please refer to the individual course guides.

Pre-Enrolment Information

All prospective learners prior to enrolment will be assessed to determine the competency(s) that they may have acquired through formal, non-formal and informal learning to determine the extent to which that individual meets the requirements specified in the training package.

This assessment will help ACE determine the amount of training it will provide to each learner with regard to their existing skills, knowledge and the experience of the learner.

Learner Cohorts with Formal learning:

Where an Assessment determines the learner has formal learning through a structured program of instruction and is linked to the attainment of an AQF qualification or statement of attainment (for example, a certificate, diploma or university degree), ACE will grant credit for the unit of competency completed at another RTO. ACE will authenticate the information in the document provided by contacting the organisation that issued the document and confirming the content is valid. This course credit may reduce the length of a student’s course there by recognising the equivalence of studies previously undertaken and completed successfully.

Learner Cohorts with Non-Formal or Informal Learning:

Where an Assessment determines the learner has non-formal learning or informal learning through a structured program of instruction or through experience of work-related, social, family, hobby or leisure activities that did not lead to the attainment of an AQF qualification or statement of attainment; ACE will offer the learner Recognition of Prior Learning (RPL). Where any RPL is granted this will reduce the length of a student’s course.

Learner Cohorts with No Prior learning:

Where a learner has no prior learning ACE will give them the opportunity to fully absorb the required knowledge, and to develop skills over time in the different contexts they would experience in the workplace. This will require a longer timeframe than for those learners with formal learning or significant industry experience.

General Course Entry Requirements

Where there is insufficient or unclear information with regards to IELTS level or its equivalent the application is forwarded to the CEO for assessment.
